HELP SAVE THE SALT POND BLUEBERRY BARRENS

What's Going On: A 9-house Subdivision has been proposed by the new owner of the blueberry barrens along Rte 172 overlooking the Salt Pond.

Who Decides: The Blue Hill Planning Board. This is a careful, deliberative body. They are duty bound to give fair consideration to both the developer and the residents of the Town (and the Peninsula). The September meeting is when they will vote on the current proposal so it is important that we show our opposition there.

What You Can Do: If you share the view that this is a pretty awful idea, PLEASE:

SIGN THE PETITION

Scan the QR code —————
with your phone or go to:

SPREAD THE WORD

Please share the petition link with friends and family anywhere on the peninsula.

Come to the next Town Planning Board at the Blue Hill Town Hall and write an email to the board expressing how you feel.
